# HOUSE PRICES IN THE CITY CENTER PEAK DURING THE SPRING AND SUMMER MONTHS DUE TO INCREASED DEMAND

- Demand is higher in Spring and Summer
- Prices peak also in December
- Good months are July, September, December, March and April

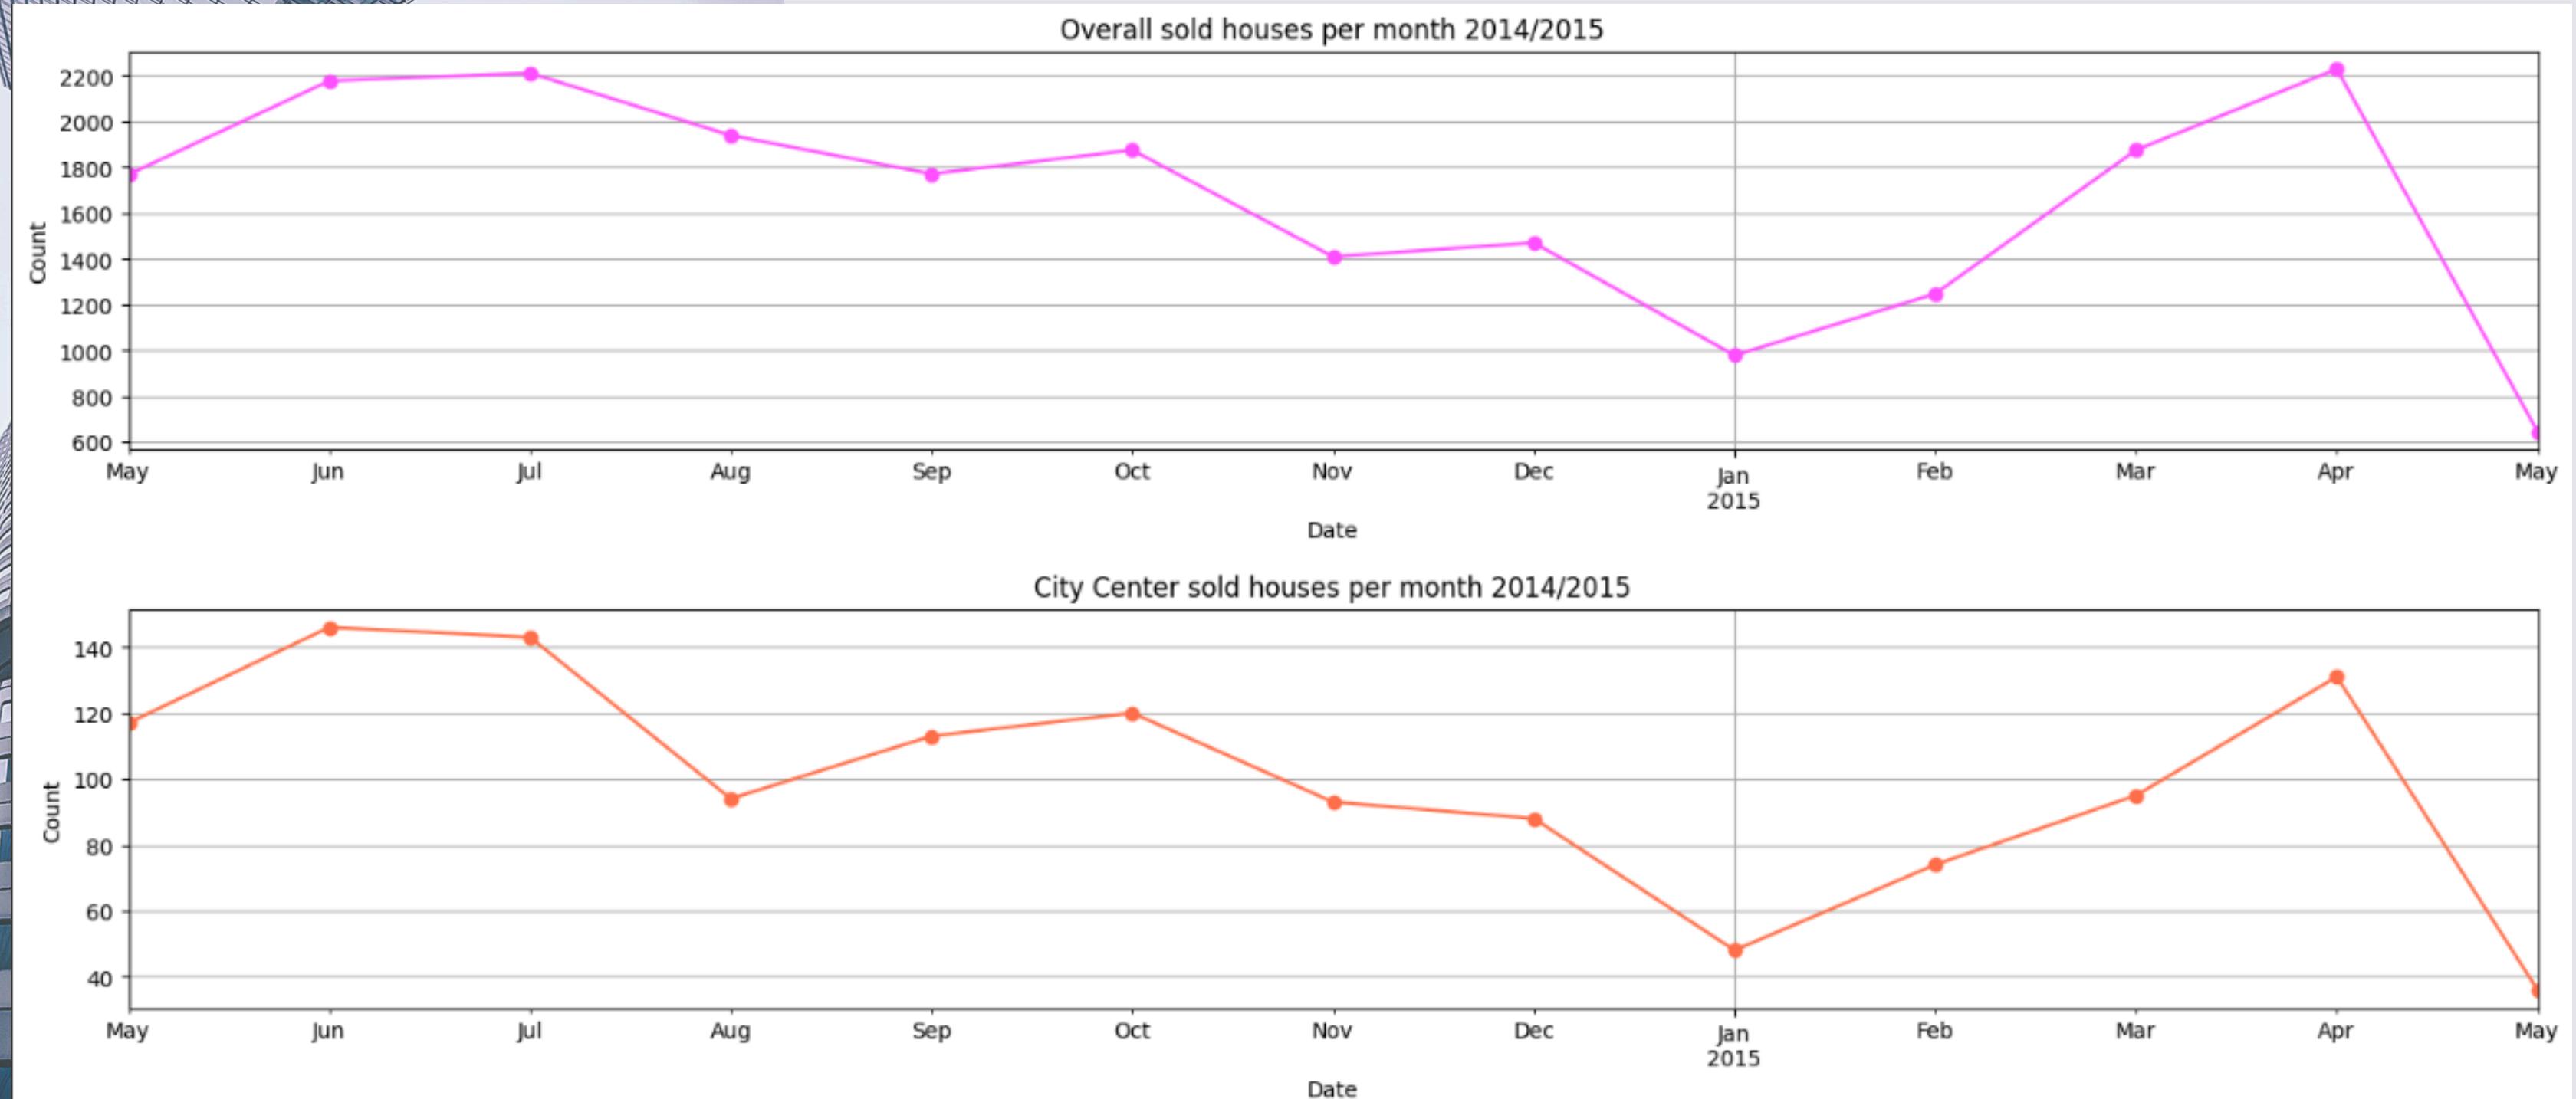

DURING HOLIDAY SEASONS (LIKE THANKSGIVING OR CHRISTMAS)  
HOUSES SELL FOR LOWER PRICES BECAUSE OF REDUCED BUYER ACTIVITY.  
FOR THIS CALCULATIONS: 22.NOVEMBER TILL 01.01.

- seems to be true
- exception between christmas and new years

# MANY HOUSES ARE SOLD IN MARCH.

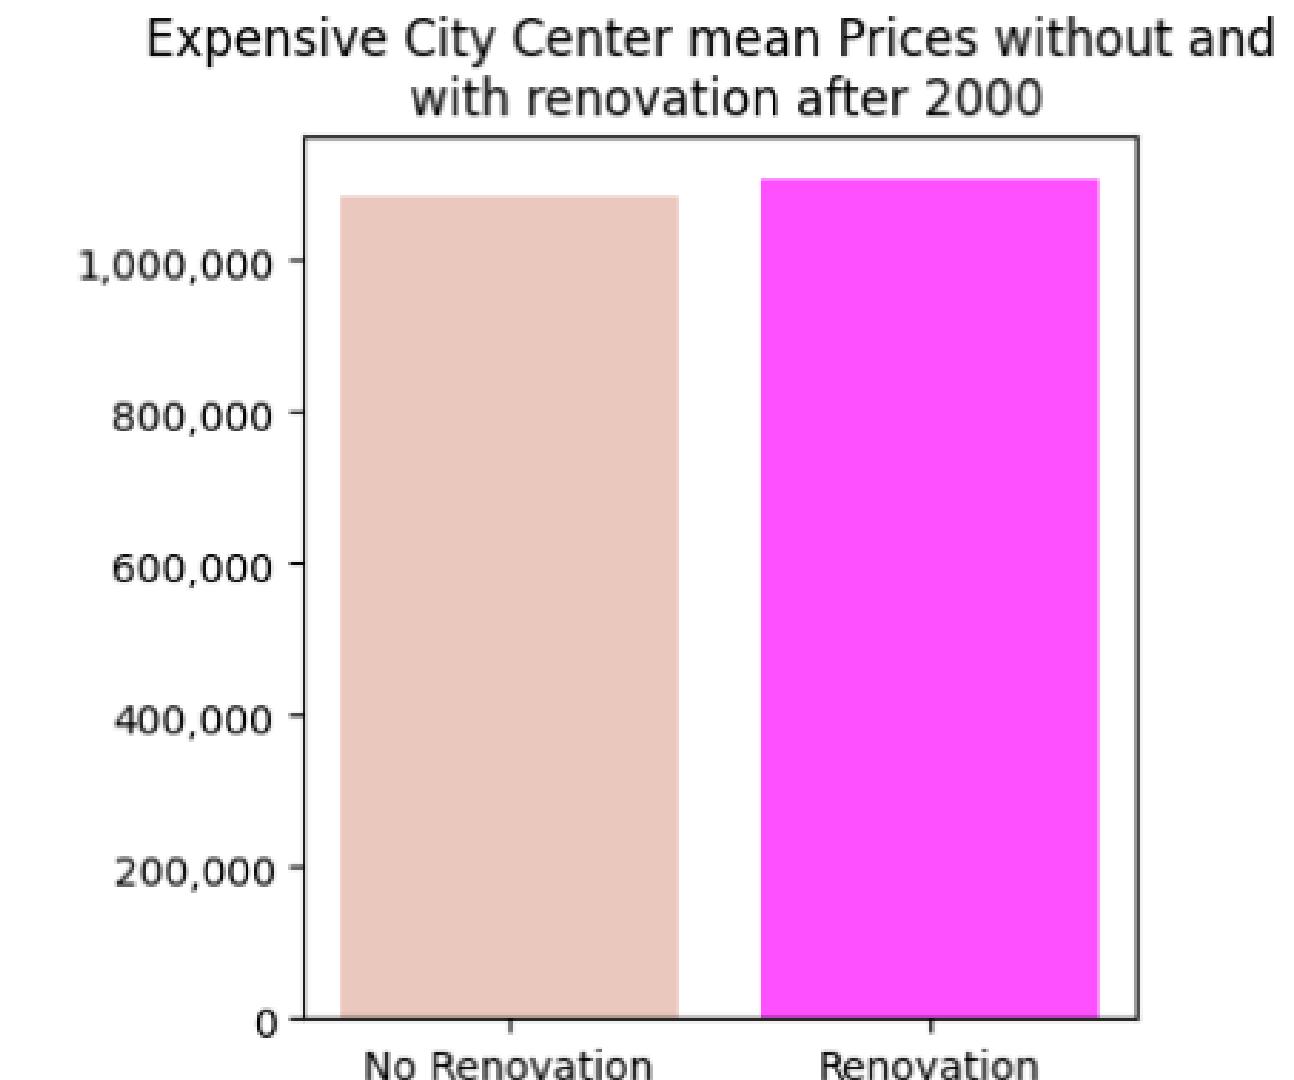

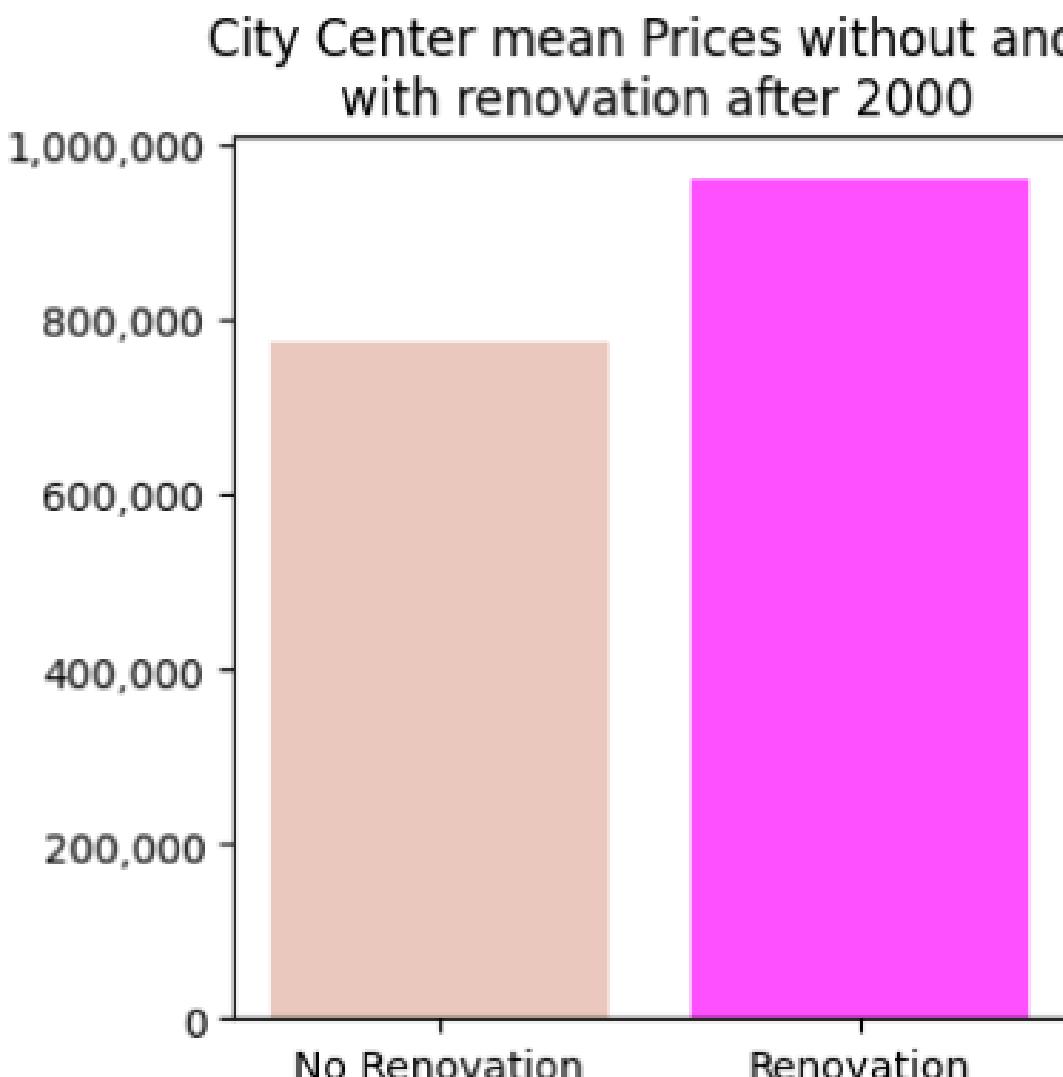

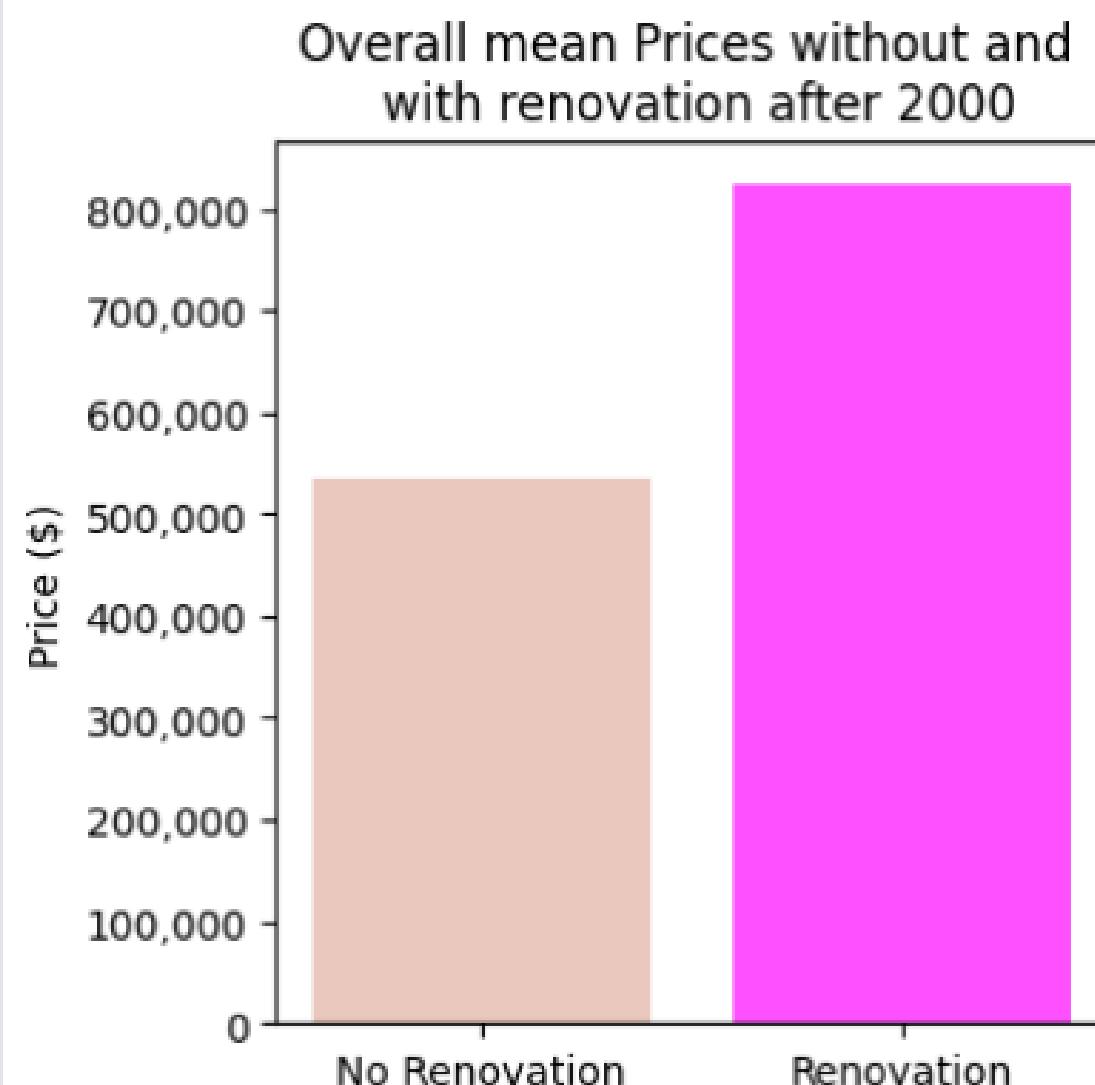

- March is good, but April, June and July is better

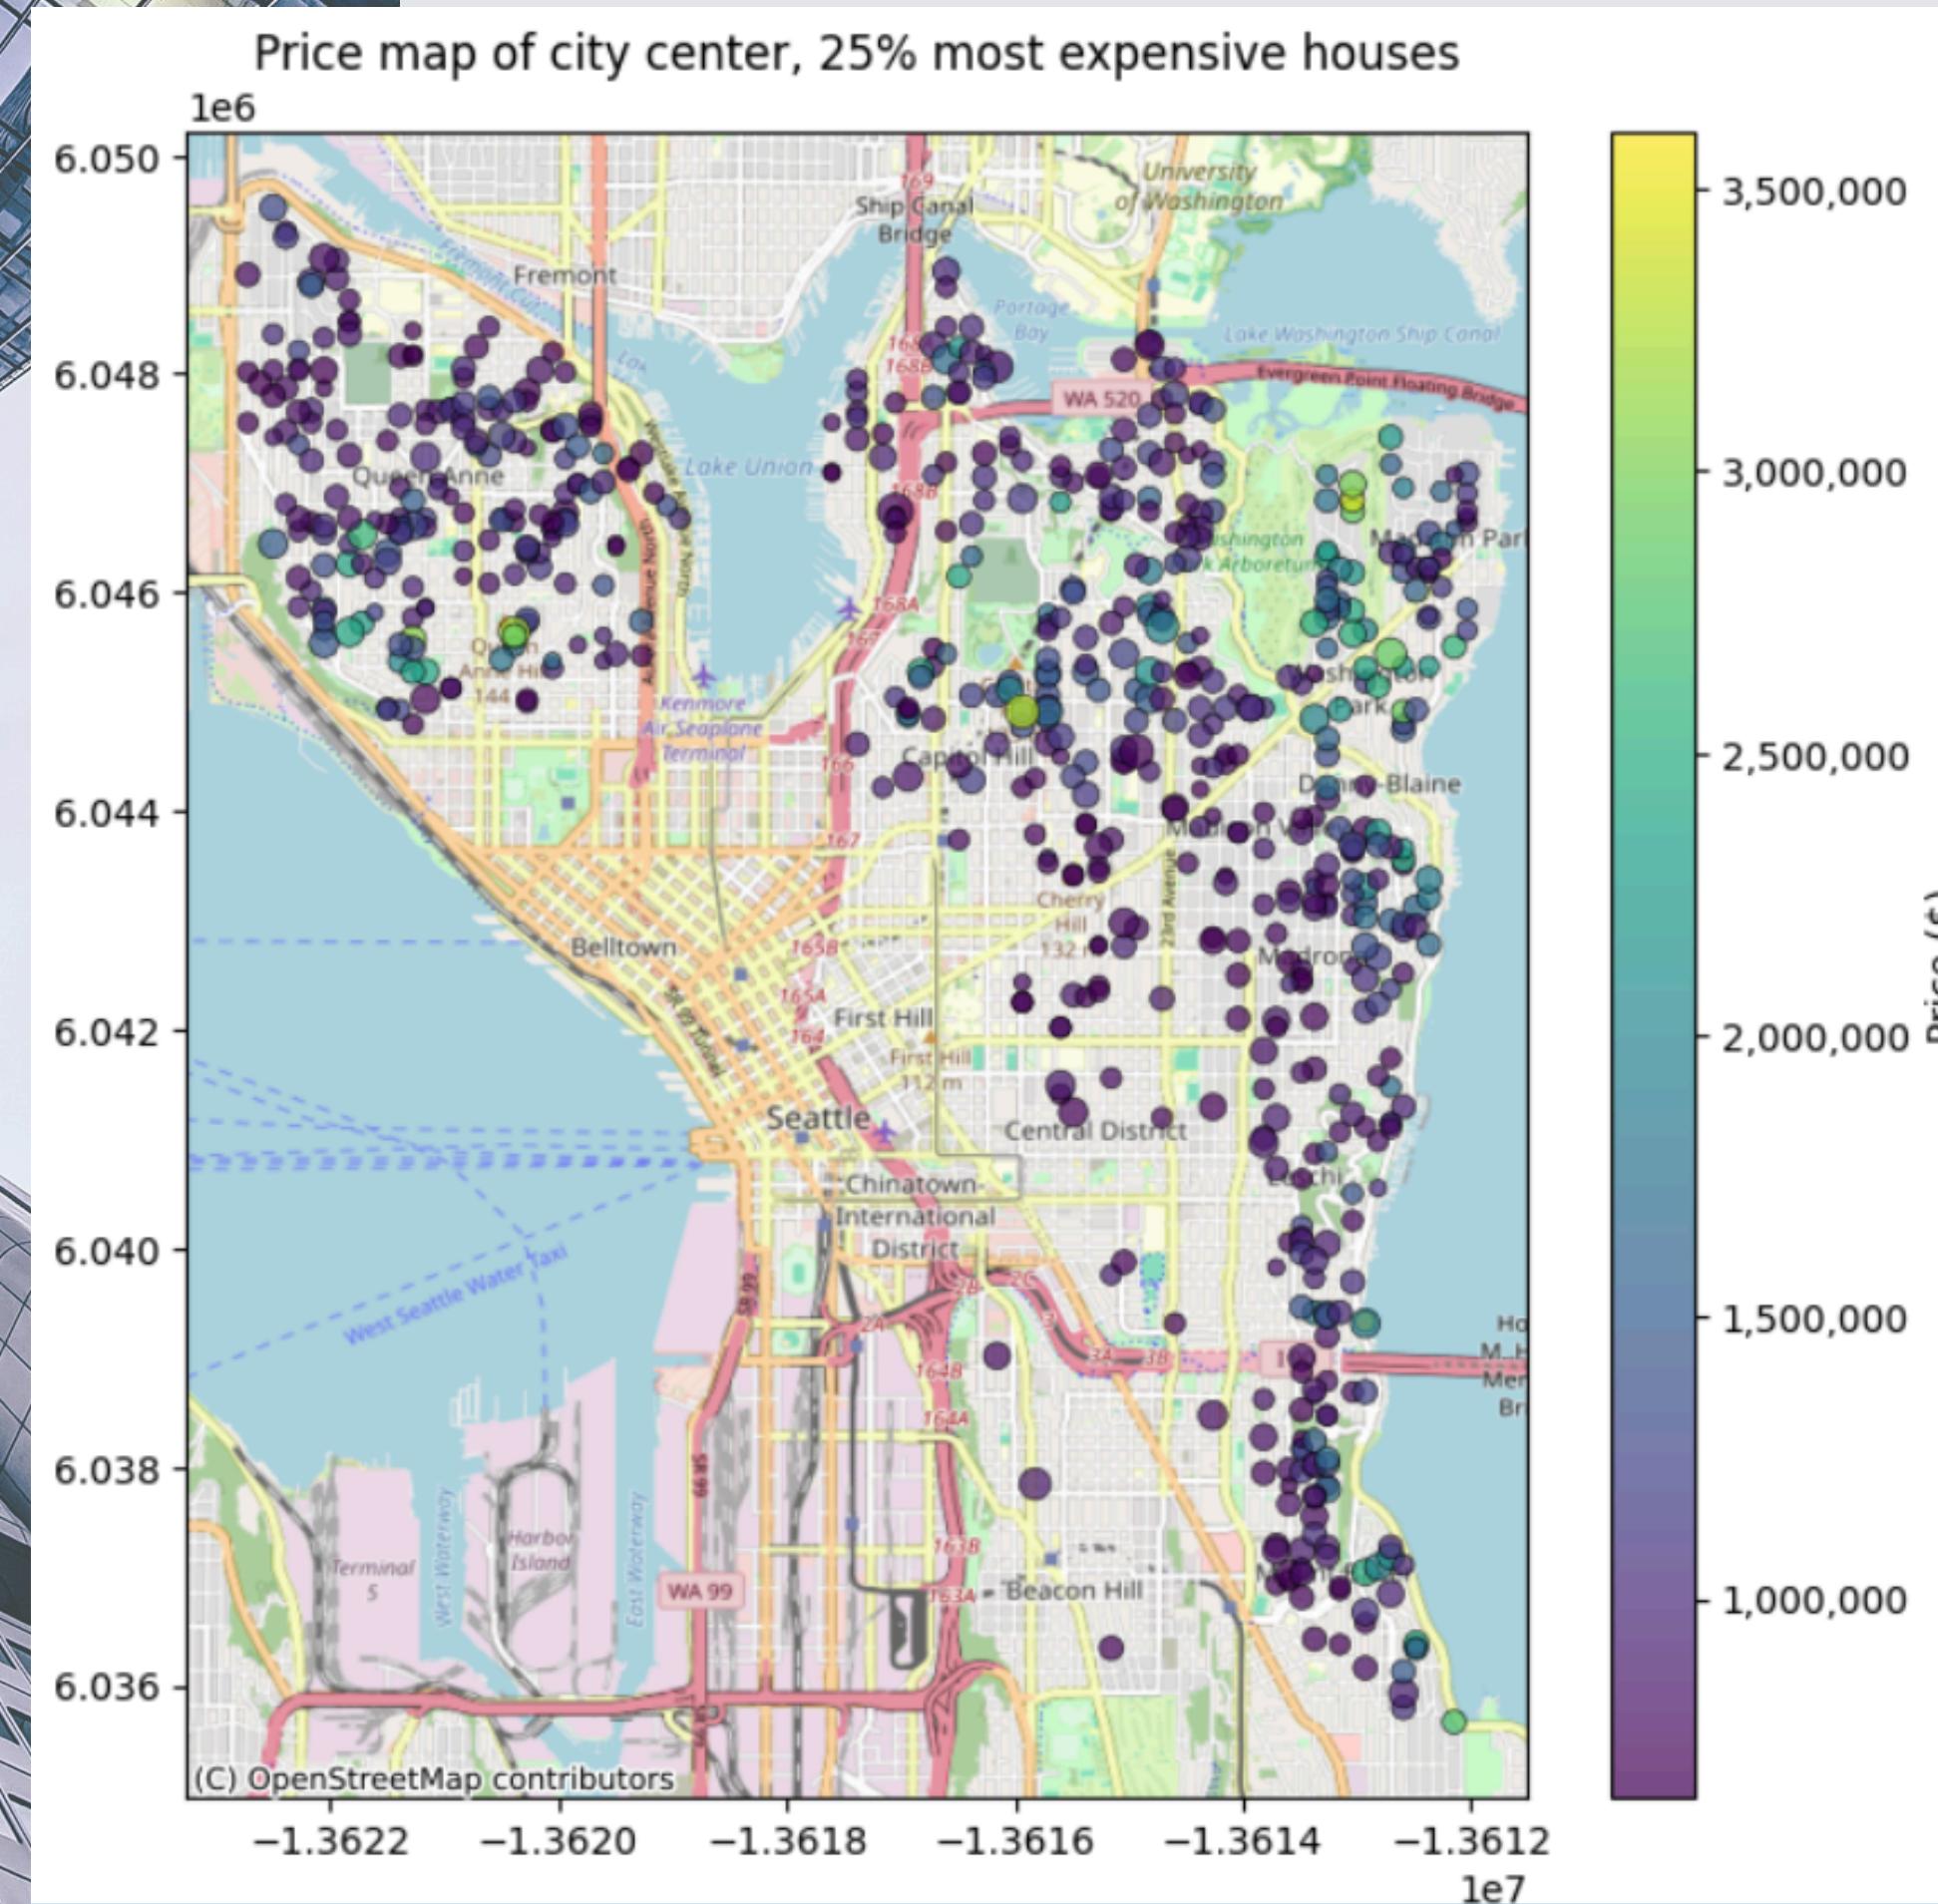

## RENOVATED HOUSES SELL FOR A SIGNIFICANTLY HIGHER PRICE COMPARED TO SIMILAR HOUSES WITHOUT RENOVATION.

- overall average in price increase with renovation is about 51%.
- for city center area it is 24%
- for the 25% most expensive properties in city center it is only 2,11%

# RECOMMENDATIONS

- good month to sell are July, September, December, March and April for the city center
- until August many houses get sold
  - List them now if you want to sell fast
- After renovation you can expect up to a 24% higher price
  - Depending on amount bedrooms and size and price expectations
  - for smaller apartments, renovation is not recommended
- If you want to renovate:
  - After August, prices might drop , also less houses get sold
  - If you don't sell the houses to the desired price until August, start renovation immediately

# THANK YOU
